Education

University of Kansas, Lawrence, USA

PhD in Mathematics

August. 2024 – Now
Advisor: Prof. Hai Long Dao

Indian Institute Of Technology Madras, Chennai, India

Master of Science in Mathematics

July. 2022 – May 2024
CGPA-8.81

St Xavier's College(Autonomous), Kolkata, India

Bachelor of Science in Mathematics

June. 2019 – May 2022
CGPA-8.33

Teaching Experience

University of Kansas

Instructor of Record

Lawrence, USA

- MATH 104 (Fall 2025)
- MATH 101 (Fall 2024)

University of Kansas

Teaching Assistant

Lawrence, USA

- MATH 115 (Fall 2026, Spring 2026)
- MATH 125 (Summer 2025)
- MATH 126 (Spring 2024)

Preprints

Regularity under Integral Closure: A General Criterion and a Sharp Counterexample

arXiv:2605.13879 [math.AC], 2026.

Certified Online Course

Computational Commutative Algebra

July 2023–November 2023

- **Course Instructor: Dr. Manoj Kummini, Chennai Mathematical Institute (CMI)**
- Registered for the course on NPTEL (National Programme on Technology Enhanced Learning, India).
- Learned **Macaulay2** and acquired skills in computing algebraic varieties.
- Achieved certification as one of the five students in this course.

Talks

Componentwise linear ideals and Herzog–Hibi–Ohsugi Conjecture

Spring 2026

Student Algebra Seminar, University of Kansas

An Introduction to absolute integral closure and Newton–Puisseux theorem

Fall 2025

Student Algebra Seminar, University of Kansas

Minh Conjecture for complete graphs

Fall 2025

CAAGS Webinar

Symbolic Power of Edge Ideals and Minh Conjecture

Spring 2024

Student Algebra Seminar, University of Kansas

Conferences and Workshops

URiCA 2026

August 29–30, 2026

University of Nebraska–Lincoln

Lincoln, NE

PASCA 2.0 Summer School

May 18–May 29, 2026

Centro de Investigación en Matemáticas

Guanajuato, Mexico

CA+

March 28–29, 2026

Iowa State University

Ames, IA

KUMUNU 2025

October 25–26, 2025

University of Missouri

Columbia, MO

URiCA 2025

May 3–4, 2025

University of Nebraska–Lincoln

Lincoln, NE

Rayfest 2025

April 12–13, 2025

University of Nebraska–Lincoln

Lincoln, NE

AMS Spring Central Sectional Meeting
University of Kansas

March 29–30, 2025
Lawrence, KS

Commutative algebra in mixed characteristic
University of Nebraska–Lincoln

March 28–29, 2025
Lincoln, NE

KUMUNU 2024
University of Missouri

September 28–29, 2024
Columbia, MO

Workshop on Representation Theory and Syzygies
National Centre of Mathematics

December 18–23, 2023
India

[Technical Skills](#)

Commutative Algebra Tools: Macaulay2

Languages: C, R

Developer Tools: Matlab, Minitab, LaTeX

MS Tools: Word, Excel, Powerpoint
